## JUNIOR Gr12 to 16 COACHING - EXPRESSION OF INTEREST FORM

### EXCERPT FROM OUR "POLICY FOR REGISTRATION, GRADING AND FORMATION OF TEAMS"

17. Coaching appointments will lapse at the conclusion of each season. Appointments for the new season will be made by the junior competitive subcommittee as soon as practicable for each age group after grading is completed.

18. It is desirable that the coaching and playing philosophy of the club (as overseen by the coaching director) be put into practice in every team (at the appropriate level) from the senior teams down. To assist in this, players from the top senior teams should be encouraged, where feasible, to take on a coaching role with a junior team.

I am interested in taking on a coaching position at Alstonville FC for this year.
